

Returning samples to nora systems, Inc. is quick and easy:

1. Affix the return label provided below squarely onto the address side of the package. When using tape or a similar material, please do not cover any part of the label where the postage and fee information is located.
2. Please darken out any other addresses and/or barcodes that may appear on the outside of the package.
3. Take the parcel to a post office or give it to a postal carrier. All packages will be shipped via Parcel Post only.
